Usage of Historic Plate Vehicle Log.

Historic Plate Registration Number: .....

Vehicle Type: .....

Owners Name: .....

From the 1st of January each calendar year, you must enter a record on this form of all events which have been attended in your Historic Plate vehicle and return it to the MEG Club Plate Registrar at the time of registration renewal.

The MEG Club requires a 'Pink Slip' for Conditional Registration thus ensuring that the vehicle is roadworthy in conjunction with the completed RTA 1259 form. The RTA 1259 form with MEG Club stamp and signed by an MEG official must be presented to the RTA within forty two (42) days to be valid.

To retain Conditional Registration throughout each membership year, each vehicle owner will need to attend at least three (3) general meetings and, additionally, three (3) recognised events in a MEG HCRS plated vehicle in each registration year (if you have more than one (1) vehicle on the scheme, the minimum number of events you have to attend is three.

Should the MEG member not comply with this rule, re registration of the vehicle will be refused.

A club event is any event listed in the MEG club minutes or MEG club magazine and includes meeting nights and social events from MEG and/or other clubs etc.
